

Tiger Times

March 2021

* Be Safe * Be Respectful
* Be Responsible * Be Kind

Hello TMS Families,

Happy almost Spring!

We miss having the students on campus. As a community, we have been hard at work, keeping updated on State and County health guidelines to be sure we are ready to bring students back to campus as soon as we can! Here is the latest news for return to campus:

- **March 29th: TMS Distance Learning Hubs** begin (these stable groups are being determined by level of need: students with disabilities, English Language Learners, Foster & Homeless Youth, etc.). Please know, I realize and truly believe every student needs to be back on campus. However, qualifying for these hubs have strict criteria.
- **April 12th or 19th: (these dates are impacted by vaccine availability)**- Hybrid Learning for 6th grade: Students will be split into stable groups A and B for periods 1-3. They will remain with this group of students through out the two days they will be on campus. They will follow a modified bell schedule (lunch will not be eaten on campus). We are working on the schedule and as soon as we have it complete, we will share it with you.
- **7-8 Hybrid:** In order for our 7th and 8th graders to come back to campus for Hybrid Learning, the County must be in the RED TIER (and our teachers must have been given the opportunity to receive both vaccinations). Fingers crossed- we are getting there! 7th & 8th graders will be split into cohorts as well and follow a modified schedule like our 6th graders.

If you have any questions, please reach out to me or attend one of our Tuesday Tiger Talks (see dates and times below).

Take care,
Ms. McKenna

*"A person who never made a mistake never tried anything new." –
Albert Einstein*

Important Information:

Wednesday Morning Homework Workshop

Links now available on our website (under OUR STUDENTS tab)!

This is a specific time set aside EVERY Wednesday for you to do **homework**, **late work**, or **catch up on work**. You may do your work on your own or you can get help from one of our AMAZING paras!

See below for your grade level and subject Google Meet link.

TUESDAY TIGER TALKS
