- 4-20 Tiger Talk @ 10am
- 4-21 MSPABA @ 6:30pm
- 4-26 Hybrid Learning Begins
- 4-27 Tiger Talk @ 5:30pm

Hello Families,

Great news! We are now in the orange tier. We are on a good trajectory for Sonoma County! We will be returning to campus for hybrid learning on April 26th.

Students can either continue distance learning for the remainder of the year or participate in hybrid learning and return to campus for 2 days a week. Students will be placed in cohorts- A or B, and that will determine if they attend classes on campus Monday/Tuesday or

Thursday/Friday. All students will learn via distance learning on Wednesdays. Our bell schedule has changed a bit to accommodate COVID safety guidelines on campus. It is attached. If you have not notified me if your child will be learning via hybrid or distance learning for the remainder of the year, please email me. We need to have this information so we can put students into cohorts. As soon as cohorts are assigned, I will let you know.

*If you have any questions, please reach out to me! I know this transition can stir up different emotions. We are here to help!*

Ms. McKenna

We will be offering a 6th grade orientation starting the week of April 19th. Be on the lookout for info!
